

Curriculum Vitae
Dr. Mansoureh Hamidi

Personal and Contact Information	
First Name	Mansoureh
Last Name	Hamidi
Affiliation	Department of Occupational Hygiene and Safety, School of Public Health and Safety, Shahid Beheshti University of Medical Sciences, Tehran, Iran(Tel:22432040-1)
E-Mail	hamidi@sbm.ac.ir , man.hamidi@yahoo.com

Academic Education	<p>Ph.D. in Environmental Science (Trend: Pollutions), 2015-2020, Faculty of Natural Resources and Environment, Science and Research Branch, Islamic Azad University, Tehran, Iran</p> <p>MSc in Occupational Health Engineering, School of public health, Tehran University of Medical Sciences, Tehran, Iran</p> <p>BSc in Occupational Health Engineering, School of Health, Safety and Environment. Shahid Beheshti University of Medical Sciences, Tehran, Iran.</p>
--------------------	---

Teaching Experience	Noise and vibration in the workplace , physical agents in the workplace , Radiation hygiene in the workplace, Thermal stresses in the workplace
---------------------	---

Books	1 - noise and noise control, Ashobe City Press, first edition, 2005. 2 - protection against ionizing radiation, Ashobe City Press, first edition, 2006.
-------	--

Research Porject	“Thermal stress and strain evaluation of employees and presentation of control strategies in the kitchens of colleges and hospitals of Shahid Beheshti University of Medical Sciences”.2012
------------------	---

Publications in research Journals and Conferences	<p>1-Panjali Z, Jafari-Tehrani B, Münzel T, Hahad O, Tansaz M, Hamidi M, Hajipour-Verdom B, Zendehtdel R. Effect of tea consumption on oxidative stress and expression of DNA repair genes among metal press workers exposed to occupational noise. Toxicology Research. 2021Jan;10(1):134-40.</p> <p>2-Hamidi M, Nassiri P, Panahi HA, Taghavi L, Bazgir S. Synthesis of a multicomponent silica aerogel-containing nanocomposite for efficient sound absorption properties. Polymers and Polymer Composites.:0967391120985741. first published online: January 5, 2021</p> <p>3-Hamidi M, Kavousi A, Zaheri S, Hamadani A. ”Assessment of the Noise Annoyance Among Subway Train Conductors in Tehran” ,Iran ”.International Journal</p>
---	---

of Noise and Health ,May –June 2014 ,Volume 16 ,177-182.

4 - **M. Hamidi**, A. Kavousi, P. Nassiri, A. Hamadani, S. Kiani.Dehghan HR “Noise pollution in Tehran and Suburbs of Metro trains in 2010”, Journal of Occupational Health Research, Volume 9, Number 2, Summer 2012

5- **Hamidi M**, Kavousi A, Zaheri S . “ Noise pollution level inside the cabin of subway conductors and evaluation of their health outcomes" .International conference on noise pollution. February 22-23,2016.Paris france: P.1592(oral presentation)

6– Beheshti A. **Hamidi M**. “Investigating the effectiveness of lightweight structures in improving the level of safety in the building industry”. The first national conference on occupational health and safety in construction workshops, Tehran University of Medical Sciences.14, and 15 March 2011.

7 – Beheshti A. **Hamidi M**. “Assessment of occupational health and safety systems development projects Tehran Book Garden”, the first national conference on occupational health and safety workshop building, Tehran University of Medical Sciences, 14, and 15 March 2011.

8–**Hamidi M**. jalali R. Study and analysis of ergonomic postures and the prevalence of musculoskeletal disorders in Tehran Sefal in Company in 2010. National Conference on Health, Safety and Environment, December 27-21, 2011, Tehran Olympic Hotel.

9- **Hamidi M**. “Survey of knowledge and attitude of workers towards PPE and quality of management in relation to PPE”. The First National Congress of Occupational Medicine and Occupational Health in the petroleum Industry, 21 and 22 May 2010

10– **Hamidi M.** Kavousi A. Nassiri P. Hamedani A. Kiyani S. “Investigation of the sound situation inside the subway trains of Tehran and its suburbs in 2009”. The first national congress of occupational medicine and occupational health in the petroleum industry. 21 and 22 May 2010

11 – **Hamidi M.** "Health in the teachings of the great Prophet ". 4-3 March 2007, Rafsanjan University of Medical Sciences, University Scientific and Research Journal.
